

Northern European Energy Cluster Event (N-EEC), together with UiT - The Arctic University of Norway proudly presents an open seminar about energy related issues

Energy efficiency in communities - Best practices and experiences from European projects

The Northern European Energy Cluster (N-EEC) is a joint action initiated by three separate EU projects in the northern peripheral regions of Europe, i.e. Renovation Center funded by Interreg Botnia-Atlantica, e-Lighthouse funded by the Northern Periphery and Arctic Programme (NPA) and ICNB (Increasing Competence in Northern Building) funded by Interreg Nord. The core idea in N-EEC is to gather the strengths and best practices from each ongoing project and create added value by arranging several joint events on energy efficiency and retrofitting of buildings.

Local organizers:

Energy efficiency in Communities - experiences & best practices from European projects

Date Monday, 3 December, 2018
Time 9:00 – 12:30
Location: The Arctic University of Norway, Narvik campus, Lodge Langes gate 2, Narvik, [Room E1700](#)

[Sign up here before 29th of November](#)

Program

- 9:00 **Welcome!**
- 9:10 N-EEC -project** Introduction, Antti Haapalahti, Oulu University of Applied Sciences
- 9:25 Introduction of **Renovation center –project** Annika Glader, Novia, Vasa
- Case Bergö skola
- 9:45 **Cases and good examples from e-Lighthouse and ICNB**
- Energy Efficiency Management in Model Based Building Information, Peter Danielsen, UiT, Alta (by videolink)
 - Smart Energy cases for municipal buildings, Erik Eklund, Umeå Municipality
 - Hedlunde pre-school passive house, Erik Eklund and Ulf Roth Umeå Municipality
 - How to Activate Building Users to Save Energy, Pirkko Partanen, Oulu Facility Management Centre (by videolink)
- 11:00 **Coffee Break**
- 11:15 **Kirstin M. Leiros, Adm. dir. Ofoten Midt-Troms Boligbyggerlag**
- Smart Arctic Building
- 11:30 **Svein Erik Høiem, Project manager EPC Narvik Kommune/BP3 Prosjekt AS**
- Energy Performance Contracting
- 11:45 **Marianne Thomassen, Advisor smart city strategy Narvik Municipality**
- Smart City
- 12:00 **Summary**
- Discussions
- 12:30 **End of seminar**

The seminar is free of charge. We can accept the first 20 persons registered.
