

## PROGRAM FOR ORIENTATION WEEK

### Degree Programme in Mechanical Engineering (DME)

We warmly welcome you to start your studies in Mechanical Engineering. You will begin your studies during the Orientation Days on August 21<sup>st</sup> at 9:30 AM. The Mandatory Orientation Days will take place on the Linnanmaa Campus from August 21<sup>st</sup> to 23<sup>rd</sup>. Please bring your own laptop with you, as it will be needed during the Orientation Days.

We utilize various digital learning environments, and we encourage you to complete the Digital Starter Package before the Orientation Days. We also hope that you have begun using your student account (username and password). You can find instructions on the [Bachelor welcome page](#).

Participation in the Orientation Days is mandatory for all new students. If you are unable to start your studies in Oulu in August, please contact the Head of Studies, Timo Väyrynen ([timo.vayrynen@oamk.fi](mailto:timo.vayrynen@oamk.fi)), and [admissions@oamk.fi](mailto:admissions@oamk.fi) to explain your situation and provide a document proving your ongoing residence permit application process.

**Otherwise, we look forward to welcoming you to the Linnanmaa Campus for the orientation days.**

*Student union OSAKO will organize a pre-picnic event for new students before the start of studies. The picnic will involve your tutors and last year students and of course, your own group members! You can get to know each other, your field of study and the tutors on the picnic in a relaxed way. The event is alcohol free. The pre-picnics will be organized on 17.8.2024 at 5pm-9pm at Tuira beach, Koskitie 58, 90500 Oulu*
